

OCCUPATIONAL HEALTH & SAFETY POLICY STATEMENT

The Board of Directors of Lilleker Bros. Ltd regard the promotion of Occupational Health & Safety measures as a mutual objective for management and employees at all levels.

This policy statement sets out our framework to enable us to set, deliver and review our aims and objectives to ensure that we succeed in meeting them.

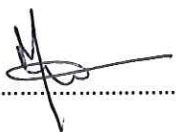

The aims and objectives of the company is to do all that is reasonably practicable to prevent injury and ill-health and to protect our workforce from foreseeable and actual work hazards and to protect our clients, visitors, the public and any other interested parties as they meet the company and the activities which we perform.

We will:

- Identify hazards arising from our activities and in the workplace, aim to eliminate such hazards wherever possible and to control any risks that remain
- Aim to comply with all relevant SHE legal requirements and 'other' requirements to which we subscribe.
- Provide and maintain safe and healthy working condition for all persons working under our control.
- Communicate requirements of the Occupational Health & Safety Management System & Policy via the Occupational Health & Safety Handbook and provide information, instruction, training and supervision to enable all persons working under our control to comply with such requirements and to perform their work safely and efficiently.
- Make available all necessary safety devices and protective equipment.
- Maintain a constant and continuing interest in Occupational Health and Safety matters applicable to our activities through appropriate communication, participation and consultation and lead by example.
- Take appropriate action to ensure the health & safety of others who may be affected by our activities and processes.
- Monitor the effectiveness of our SHE Management System and make necessary revisions to legislation and 'other' requirements or significant change occurs within the business or working practices.
- Provide the resources necessary to satisfactorily discharge the above responsibilities.

To help us to achieve these aims and to continually improve our occupational health and safety performance & management systems we have implemented and maintain an Occupational Health and Safety Management System designed to meet the requirements of OHSAS18001 and relevant legal, statutory requirements and industry specific standards that apply to our operations.
