The company's long-term aim is that the composition of its workforce should reflect that of the community. Timetabled targets will be set for groups in the community which may be identified as being under-represented in the workforce. Where necessary, special steps as permitted by the relevant Acts of Parliament will be taken to help disadvantaged or under-represented groups to compete for jobs on a genuine basis of equality.

The company's Equal Opportunities Employment Policy (EOEP), and the measures to implement it, have been devised based on advice from the relevant bodies as well as in consultation with employee representatives.

The Managing Director is responsible for the effective operation of the EOEP, a copy of which is available from the personnel department.
